

## **BASKETBALL: AROUND THE WORLD**

- Participants must check in within 30 minutes of the published starting time.
- Male participants must use a regulation size basketball for men. Women will use a regulation size basketball for women. Participants may use their own basketball.
- Each participant will be allowed two practice shots. These shots must be taken prior to the start of their "scored" shots and may be taken from any of the spots around the basket.
- Each participant will be allowed fifteen official shots (three at each of the five designated spots marked on the floor in any order they wish).
- Each made basket is worth one (1) point.
- Participants must release their shot from behind the designated lines, but are allowed to touch or go beyond the lines in their follow through. Any violations will be considered a missed shot.
- Each participant will be allowed only one chance to shoot his/her official shots.
- In case of a tie, the player with the most consecutive successful shots will be declared the winner. If a tie still remains, duplicate awards will be given.
- ISO reserves the right to change the event format for any age division based on entry numbers, space restrictions or other circumstances.
