2. Singles matches will consist of 8 frames. The winner is the player who scores the highest number of points.
3. In Doubles matches each partner shall complete 6 frames. Players will not switch ends after any frame. The team or pair with the highest point score at the end of 12 total frames will be the winners.
4. One practice round will be allowed for each player.
5. One disc will be shot by each player to determine color choice. The disc whose center is nearest to the center of the furthest dead line chooses color. Red shoots first in the first frame, then black, alternating each frame.

6. Discs must be shot from the 10 off area.
7. If a disc does not reach the furthest dead line, it should be immediately removed from the court.
8. Score all discs within and NOT touching lines; separating triangle in 10 off area should be ignored.
9. In case of a tie, two extra frames will be played until the tie is broken.
10. The cue shall not have an overall length of more than 6 feet, 3 inches. No metal part of the cue shall touch the playing surface.
