

## Records Fell as Medals Flew at the 25<sup>th</sup> Iowa Senior Olympics

The Silver Anniversary Iowa Senior Olympics had about everything this year. Great competition, records set, overcoming floods to get to the Games and heat in order to compete, a wonderful Hall of Fame Celebration and the tremendous Senior Olympic Spirit throughout the Games.

The Games started with two 1 run games between the Salty Dogs and Country Boys in Team Softball and ended with an exciting championship game in Granny Basketball where Wild Wild West edged Golden Girls Car X 65 - 62. In between 1,442 medals were awarded, over 600 athletes took part and 109 records were set. It was a competition that set a standard which will be hard to top.

Amazingly, 100 athletes took home at least 5 medals. 28 individuals had at least 10 medals draped around their necks (see list below). Alan Schenck (22) and Ron Peterson (20) were particularly busy as they each won at least 20 medals. Stan Aldinger and Rich Hoidahl were right on their heels as they took home 19 each.

In the record setting category it is hard to imagine that anyone has ever had a day to match the one Tom Kealy had in Swimming at the Games. Tom hit the water 8 times on the Saturday of the Games and each time he not only won the Gold Medal but set a meet record. The pool was really quick this year as Brian Steffen added 4 records while 11 other swimmers also added records. We may have to drug test the swimmers next year.

Hall of Fame inductee Nancy Baker added her name to the record book 4 more times to top off an eventful weekend. Ruben Rullan, Brad Ewest, Rhonda Penquite and Michael Fitzgerald each re-wrote 3 records. You can see results from all the events, check out all the individual results and check out all the records at our website: <http://www.iowaseniorolympics.com/>

### **Hall of Fame Banquet**

Over 200 people attended the Hall of Fame Celebration at the Iowa Farm Bureau on Friday evening. The evening celebrated 25 years of the Iowa Senior Olympics with memorabilia, pictures and film of the past Games. Nancy Baker, Lee Kane and Bob Thompson were honored as inductees into the Iowa Senior Olympics Hall of Fame while Sue Patterson-Nielsen was recognized for her contributions as the Volunteer of the Year. It was a beautiful night with fun being had by all.

## National News

The National Senior Games conflicted with the Iowa Senior Olympics dates this year, which limited some Iowans from competing at the National meet. This didn't stop the state from having a fine showing in Houston. Iowa ranked 27<sup>th</sup> overall in medals won with 31 and was 22<sup>nd</sup> in the number of Gold medals earned with 17. I will update some individual national results from the National Senior Games as well as national Softball Tournament and Nationals in Granny Basketball in the upcoming Newsletters.

### Gold Sponsors

The sponsors who support the Iowa Senior Olympics help make the Games possible for everyone. We try to highlight these sponsors throughout the year. Iowa Health Physicians and Clinics has supported the Iowa Senior Olympics for several years and has become one of the very few Gold Sponsors. We are glad to be associated with this fine company which is headquartered in Des Moines.

Founded in 1993, Iowa Health Physicians is the largest primary care physician group in Iowa. With a medical staff comprised of more than 275 physicians and providers, the group provides care in family medicine, internal medicine, pediatrics, mental health and various medical sub-specialties. With more than 1,000,000 patient visits annually, Iowa Health Physicians provides care to the communities throughout Iowa and western Illinois. Iowa Health Physicians has 65 clinics located within five regional areas, including the communities of and surrounding Cedar Rapids, Des Moines, Ottumwa, Quad Cities and Waterloo. In the Cedar Rapids region, you know us as St. Luke's Physicians and Clinics; in the Des Moines and Ottumwa regions we are Iowa Health Physicians and Clinics; in the Quad Cities region we are Trinity Physicians and Clinics; and in the Waterloo Region we are Allen Physicians and Clinics.
